    4 of the 9 voting members voted to approve ISG 5201, ISG 5202 and ISG 5203.
    2 members voted to approve ISG 5201 and 5203 and abstained from voting on ISG 5202.

3. ISG 5095, 5099 and 5496

    This agenda item is for information only.

    The ISG now has a "5095, 5099 and 5496" course.
    Anyone who is an ISG faculty member can teach one of these courses.
    Ideal if your course is for a broader audience.
    These could be cross-listed.
    Please let your groups know these are out there.

4. Course proposals for ISG 5091, 5092

   Justin Cotney made a motion to approve the course proposals for ISG 5091 and 5092. Motion was seconded by Brenton Graveley. Motion carried unanimously.

5. Course ideas for ISG 5000, 5399, 5897

   This agenda item is for information only, to be discussed at a future meeting.

6. ISG 5730 report

   This agenda item is for information only.

11:52 Michael O'Neill made a motion of adjourn. Judy Brown seconded.

Respectfully submitted,

Jessica Williamson
